Proudly sponsoring this show with 100lbs of meat for Best In Show, 60lbs for Reserve BIS & 25lb for Best Puppy in show.

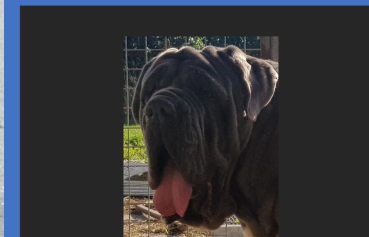

Go Raw is a raw food and natural treat supplier based in South Wales. We supply food from over 15 manufacturers and operate a UK wide delivery service. Everyone involved has a love of dogs but our MD has been bowled off his feet (literally on more than one occasion) by the Neapolitan Mastiff.

I've always loved the breed but was never able to commit to one until recently. I looked for a long time and settled on a puppy from Nikki Sharp.

We've had Harriet for 2 years now and she is nothing short of amazing. We will get another in time and would love to try out in the show ring when work commitments allow.

We will be attending the show with our refrigerated Van for anyone who would like to view or buy from our range, all club members will receive 10% off any order. Please contact me beforehand if you want to place an order for us to bring along on the day.

JOHN HARRIS

Having owned and then bred the noble breed of the Neapolitan Mastiff for over 24 years I am proud that the interest in the breed has become a family affair.

Over the years we have had many show successes and am delighted to see our 11 year old daughter start her show career achieving reserve best bitch at Crufts 2019 at her first attempt at handling and gaining her first YKC award following her show successes this year including BOB at Birmingham national.

Improving the gene pool here in the UK and striving to produce true to type, healthy Neapolitan Mastiffs has been a goal of ours for many years now. We are also very proud of the recommendations we get for the temperament of our dogs combined with the type and health.

We have many examples of the breed here to see including our established home bred line and our 5, soon to be 6 imports from Naples Italy. We will only selectively breed when we intend to keep a puppy to further improve our line.

We sometimes have puppies available to the right vetted homes and welcome visitors to our kennels.
