SOFT CRATES

The Kennel Club has asked that we draw attention to the potential health and safety implications concerning the use of soft crates as in its view, they do not offer sufficient protection to dogs. They have asked that we point out that dogs should NOT be left unattended in soft crates. There have been instances where dogs have escaped from soft crates which have not been securely fastened to benches, or that have been left at ringside. We therefore ask that if you use soft crates that you do not leave dogs unattended either in the hall or even in an open car in the car park

The advertisement features a large, close-up photograph of a Saint Bernard dog's face on the left. On the right, the Royal Canin logo is displayed with the tagline "SIZE HEALTH NUTRITION™". Below the logo, three lines of text are presented: "Nobody knows **your dog** better than you...", "Nobody knows **giant breed dogs** better than us...", and "Together we make the **perfect team.**".

In the center, four bags of Royal Canin Giant dog food are shown, labeled "Babydog 30", "Puppy 34", "Junior 38", and "Adult 38". A bracket under the first three bags is labeled "Growth", and a bracket under the last two is labeled "Adulthood".

At the bottom, the word "GIANT" is written in large, bold letters, followed by "DOGS 45 KG & over" and "Health Nutrition for Giant Dogs". To the right of this text are three smaller images of Saint Bernard dogs in different poses. At the very bottom, contact information is provided: "For more information call us on: **Customer Helpline 0045 300 50 11** or visit: www.royalcanin.co.uk".
